ABOUT

Fortify™ (formerly known as BMD Advanced) is a bone mineral developer product that can help reduce the risk of developing osteoporosis and can aid in the maintenance of healthy cartilage, teeth and gums.

Fortify™ can also help prevent vitamin c, vitamin d, calcium, phosphorus, magnesium, zinc, copper and selenium deficiencies. It also aids in wound healing, connective tissue production and repair, red blood cell formation, and muscle and immune function.*

INSTRUCTIONS

Take 2 capsules 3 times daily between meals. Store in a cool, dry place or refrigerator.
