NOVA PŪR

reNEW

Mixology

directions for daily use

1. Shake tube well, then lightly apply 1ml (a marble-sized amount) of the All-in-One to your face and neck. DO NOT rub in yet.
2. Let rest for 30-45 seconds.
3. Gently rub in upward, circular motions to lift and remove any oils, dirt, toxins, or residual products collected by the All-in-One.
4. Rinse with warm water, then pat dry.
5. Apply reNEW Moisturizer.

Novapūr reNEW All-in-One & Moisturizer both offer an innovative approach to personalized skincare. Each product contains a carefully-selected formulation of unique plant-based ingredients that are essential to restoring the skin's natural balance for radiant health. We have also added Renova Worldwide's EMP Lightning® Mineral Complex to each product so your body can benefit from the EMP Lightning® minerals through transdermal absorption. It's nutrition for your skin!

reNEW All-in-One & Moisturizer are intended to be used together. By combining the powerful components of the All-in-One with the revitalizing properties of the Moisturizer, you can easily create any needed weight of moisturizer for the different seasons or periods of your life.

give the skin what it needs,
and it's amazing what it can do!
